Dear T'ing:

On January 1 a new executive ~~off~~ board assumed office# ##########to serve for t e year 1966.

As Bud's successor as of January 1, I am writing you concerning the scheduling of the winter meeting. The preference for various weekends runs in inverse order from February 19 to Nanuary 22. Examinations make January a poor month from our stanpoint. The dates in February are all open and there is no particular choice, ########

You might be interested in a list of our new officers (serving ###until January 1, 1967) for your records and I include that also.

Chairman.....Bill Seiler
Business Manager.....Bill Sudow
Vice Chairman.....Jim Peterson
Technical Director....John Matilaine
Program Director.....Tim O'Brien

Due to the#####adminstrational transistion and semester examations Bud and I have not had an oppprtunity to discuss the question of expansion from WYBC's position. I look forward to#######pursuing that topic with him at a close date. and meeting you###### at the wintermeeting.
